

District Account Information

To create a RISE district user account, which will allow you to create individual accounts for schools in your district and purchase RISE tests for your district, please fill out the information below and e-mail this form to RISE_Info@ets.org.

Note: If you are a representative of a single school that will be using the RISE, please DO NOT use this form. Instead, please complete the School User Account Information form, also available on the rise.serpmedia.org website.
