

School Account Information

To create a RISE school user account, which will allow you to purchase and administer RISE tests at your school, please fill out the information below and e-mail this form to RISE_Info@ets.org.

Note: If you are a representative of a district that will be using the RISE in many schools, please DO NOT use this form. Instead, please complete the District User Account Information form, also available on the rise.serpmedia.org website.
